## TRANSCRIPT

**Name:** Cem Emir

**Surname:** Yöksektepe

**Course Name:** English (A1-A2) Course

### **Learning Outcomes:**

- Fundamental English Grammar Rules: Students will grasp the structures of English sentences, tenses, adjectives, adverbs, prepositions, and other grammatical elements.
- Vocabulary Building: Participants will learn commonly used words, synonyms, antonyms, idioms, and crucial expressions, thereby expanding their English vocabulary.
- Reading Skills: Students will acquire the ability to read and comprehend English texts. They can understand the main ideas and details in various types of texts (e.g., stories, articles, news).
- Writing Skills: Participants will develop their English writing skills. They will be able to produce texts on various topics with correct grammar, appropriate vocabulary, and proper sentence structure.
- Listening Skills: Students will enhance their ability to listen to and comprehend spoken English. They will understand different accents and speaking speeds.
- Speaking Skills: Participants will practice speaking English and gain the ability to express themselves effectively. They will learn correct pronunciation, intonation, and emphasis.
- Cultural Awareness: Students will gain knowledge about the cultures of English-speaking countries, which will enable them to use the language more effectively.
